provisioning circuits node icon

[Search Patents](#)[Advanced Patent Search](#)
[Google Patent Search](#)**Patents** Any status - Issued patents - Applications Patents 1 - 10 on provisioning circuits node icon[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)**System and method for displaying usage information in a data network**

US Pat. 7124368 - Filed Nov 7, 2001 - CIENA Corporation

node and a second node of the plurality of nodes in the network from the ...
data on provisioned circuits; and retrieving data on sub rate circuits. 12. ...**[APPLICATION] Method and apparatus for managing and graphically representing elements in a ...**

US Pat. App 10/648,625 - Filed Aug 25, 2003

In a provisioning mode, a workstation user selects a start-node (ie, a first network
... The method of claim 1, wherein the icon is selected from the group ...**System and method for managing substrate services in an optical network**

US Pat. 7167483 - Filed May 20, 2002 - CIENA Corporation

16-19 depict a wizard for describing and provisioning a new substrate service. FIG.
... The topology map interface includes node 60 representations 1622,1624, ...**Apparatus for tracking the flow of video signals by incorporating patterns ...**

US Pat. 5557334 - Filed Feb 14, 1995 - Visual Automation Systems, Inc.

2 is a block diagram showing one embodiment of a node 120 according to the ...
Module 226 is a digital audio icon interface which can modify the audio ...**Network server platform for a hybrid fiber twisted pair local loop network ...**

US Pat. 6229810 - Filed Dec 31, 1997 - AT&T CORP

Between the FMP 32 and the ISP access node 460, a permanent virtual ... For example,
an icon may appear on the user's computer display for service launch. ...**Network server platform for a hybrid fiber twisted pair local loop network ...**

US Pat. 6269101 - Filed Feb 23, 2000 - AT&T Corporation

Between the FMP 32 and the ISP access node 460, a permanent virtual ... For example,
an icon may appear on the user's computer display for service launch. ...**FET PI**

US Pat. 3631528 - Filed Aug 14, 1970

It has been found that CIRCUITS power during switching since both ... of the
present invention to provide icon substrate adjacent the oxide interface. ...**Method and apparatus for managing and representing elements in a network**

US Pat. 7305623 - Filed Dec 3, 2001 - Lucent Technologies Inc.

It is noted that a node may be present in more than one node which ...
of the communications links during the provisioning of circuits. network ...**Telecommunications system craft interface device with parser having object ...**

US Pat. 6307546 - Filed Dec 30, 1997 - Alcatel USA Sourcing, L.P.

... mouse click on an icon representation of a network node or terminal in FIG.

... CRAFT INTERFACE DEVICE In order to perform maintenance and provisioning ...

[APPLICATION] [Method, system and apparatus for communications circuit design](#)

US Pat. App. 11/367,550 - Filed Mar 3, 2006

Different icons could be used to represent different types of node equipment.

... for example, by an automated provisioning process to design circuits for ...
